

**GAMEPLAY - EXT. CATHEDRAL - FORGE WORLD**

CLAIRE  
(to soldiers, loudly,  
angered)  
Hey!  
(sighs, quiet, muttering to  
self)  
I asked for it.

CLAIRE (CONT'D)  
(to Adam, louder, firmly,  
irritated)  
Excuse me. There's no fighting on  
this server. And I think you know  
that.  
(saddened)  
Friends of mine died. This is an  
event in their honor.
